

Game:Pad 4 S wireless

camo blue

Product Sheet

Features :

Tired of being tethered down by a wired controller? The GAME:PAD 4 S Wireless Camouflage™ for PS4™ is made for gamers seeking that cordless freedom. Dual vibration motors let you feel all the action, while the twin analog sticks and trigger buttons guarantee precision control. Bluetooth technology allows the GAME:PAD 4 S Wireless Camouflage™ to easily connect to your PS4™ allowing fast response times at extremely low latency.

- Wireless controller for use with PS4™
- 3.5mm Jack
- LED Home Button
- Twin analog joysticks and trigger buttons for precise control
- Dual vibration motors enhance the haptic feedback
- Colour: camouflage blue
