

RING:GRIP™

Product Sheet

Features:

Get a grip on your gaming, literally. The Ring:Grip™ allows you to get full control of your Joy-Con controller with security and comfort. The ring itself is universal in size and spins a full 360 degrees for versatility and grip preference. The Ring:Grip™ is applied with a strong adhesive mount that anchors down to the Joy-Con™ controller for guaranteed security.

- Compatible with Nintendo Switch™ JoyCon™ Controller
- Slim Design & Easy Installation
- 360 degree rotation & 180 degree movable
